Why
Every student becomes an active citizen of the future.

As this is the last newsletter for the 2015 school year, I wish to take the opportunity to acknowledge the staff that are leaving and wish them the very best for their future. After two years teaching our primary students, Kyle Lawrence is embarking on a new and very exciting adventure. She will be taking up the position of Head of Curriculum on Mornington Island. This will certainly be an amazing new stage in her career. Jane Dowling has been a wonderful addition to our primary cohort, and I wish her the very best for her on-going studies in special education. Kelly Ottershaw, who replaced Bev van Nuenen when she left on maternity leave, will be taking up a teaching position at Emu Park SS. Bill Dobson, who agreed to step in while Steph Begg was on leave and Shaila Allen, who has team taught with Helen Elsurant this year, have been a great part of the education team.

As we move into the holidays our whole school community hold Andrea Mattson and her family in our thoughts. It’s times such as this that we are reminded to value our health, and our family and friends.
