Why
Every student becomes an active citizen of the future.

In week 6 our whole school community celebrated ‘Chappy Week’. James Harris is our wonderful chaplain. The students really look forward to each Tuesday and Friday when he works at our school. James participates in all classrooms throughout the term, whether it be in class literacy lessons, library lessons, cooking or excursions. Senior Secondary music club is a great favourite. Although I can confidently say that James’s biggest fan club are the students who ‘hang out’ in Lego Club. James’ lunchtime Lego Club has one of the biggest and best collections to be found anywhere, thanks to donations made by the P&C and previous student, Alex Lyons.

Last week the students became very excited about the ‘Chappy Week’ colouring competition. On Friday book prizes were awarded to winning entries as well as encouragement awards for both students and staff. We all had a great deal of fun. Chappy James is a huge asset to our school. He is always a friendly face with whom the students love to spend time with.

Weekly Awards

This term JS JD have been very busy. We recently welcomed Jacob to our room. We have been enjoying communicating while participating in lots of exciting activities!

Counting how many bottles we can knock over
Requesting materials to make veggie patties in cooking
Reading many interesting stories and commenting on how items in the stories feel and smell. Last week we read Baa Baa Smart Sheep. Here is a conversation where we commented on an item that smelt really bad:

We had so much fun feeling the wet, sticky, goo and jam, the bumpy sticks and squishy worms (made with spaghetti) from our favourite stories that we forgot to take some pictures to share with you, oops! But here are our favourite books:

We love writing with our flipcharts and signing in each day!
