Dear Parents/Carers,

As term 4 speeds towards Christmas Holidays, there are a lot of exciting events happening.

On Friday 18th November we have our School Graduation. It is a wonderful night for our Grade 12 students to get dressed up and celebrate the end of school with their families. The Classic Car club are providing cars for the students to travel to the Frenchville Sports Club and leave school at about 5:30. All of our school community is invited to see the students as they leave school.

On Monday the 28th November we have our School Concert at North Rocky High School starting at 5.30. Please have your child there by 5 o’clock so we can start on time. All of our students have been practicing hard to perfect their concert items and would be great to see all of our students attend this special night.

END OF YEAR CONCERT
Our end of year concert will be held at the North Rocky High School commencing at 5.30pm.
We ask that students are there by 5pm so we can start on time.

YEAR 12 GRADUATION
Year 12 students will graduate on Friday the 18th November. All families are invited to see our Year 12’s dressed up at the school from 5pm to 5.30pm.

I will be on leave from the 18th November to the 28th November and unfortunately miss both events. Elise Crawford will act in the Principal role, Kate Barrett will step us as Deputy and Julia Noble as Head of Curriculum while I am away.

On Monday 21st November we will start trialling automatic texts being sent to parents if students have an unexplained absence when the roles are marked in the morning. It is very important that we have all current mobile phone numbers correct in the office. If you have recently changed your number please phone the school office and check to make sure we have the current number.

As the very hot weather approaches we are encouraging students to drink lots of water and play in our indoor air-conditioned spaces.

With Thanks
Sam Dennis
Acting Principal

May this birthday turn out to be as amazing as you......

We have settled well into Senior Secondary routines and we are enjoying our new experiences that will help prepare us for life after school. This Semester we decided to extend our community access visits to include travelling within the city for leisure and recreation activities. The students have chosen where they would like to visit based on their interests and availability with the Botanical Gardens being the most loved place to visit, especially the Zoo. We are still very busy in the Tuckshop at school, and have reached out to the community with Sunshine Catering taking up two outside jobs catering for the Housing Support Association and Community Solutions functions. We have had great feedback and look forward to more organisations booking for small functions.
