Principal Chatter

Welcome back to term three of the school year. This week your child will be bringing home an envelope containing an invitation to participate in the annual School Opinion Survey. This is an opportunity for you to say what you think about our school. Participation in the survey is completely anonymous and the information you provide is treated confidentially. The information gathered through the survey is used by Education Queensland to make judgements about how well our school is supporting your child.

Laurelle Allen
Principal

As you know we are always keen to hear how we can better support you and your child. If you ever have any concerns or worries please feel free to contact your child’s class teacher or myself through the school office.
