Explicit Improvement plan for 2016

What
⇒ Communication
⇒ 4 Blocks Literacy
⇒ Positive School Behaviour

How
⇒ Differentiated Aligned Curriculum
⇒ Differentiated Pedagogy

Why
Every student becomes an active citizen of the future.

As term 1 comes to a close I reflect on how busy and productive our staff and students have been. Teachers are implementing 4 blocks literacy throughout the school timetable and students are already experiencing success with their reading and writing. It is wonderful to see our primary classes writing letters to each other. Students love both sending and receiving letters. Junior secondary students have been writing letters to staff to request interviews for their history unit. This has encouraged all staff to share their experiences of school with the students and there is a wonderful photo display in the library that has everyone guessing which school photo belongs to which staff members (Althugh we can all guess which photo is Aaron Lacey’s). Quite a number of students at our school have allergies to certain foods and/or restrictive diets to help them better manage their behaviour and health. Starting next term Rockhampton North Special School will become an ‘allergy friendly’ school. Students in an allergy friendly school adhere to the following rules:

Happy Easter to all our students and their families.

Have a great break and we look forward to seeing you all back in Term 2.

Happy Birthday !!

Hope you all have fabulous Birthdays

March

2nd Samson
3rd Anastasia
9th Eden
15th Kuper
16th Violet
15th Charlie
18th Lachlan
19th Jack
27th Zac Daly
28th Justin

May everyday bring something new ....

May this birthday turn out to be as amazing as you ......

In Lower Primary SB we have been working hard. We are enjoying fresh seasonal fruits and vegetables during cooking. Our class is particularly interested in producing their own books. We also like to play and use our imaginations.
