Dear Parents/Careers,

Last week I had the pleasure of joining our Junior Secondary classes on their camp to Cool Waters. Everyone had such a good time. The water play area was well used and almost all the students and staff went down the water slides. Student’s behaviour was excellent and staff even got some sleep!!

Today I went to the airport to farewell our Senior Secondary students who are off to The Gold Coast and Sunshine Coast to attend the Noosa triathlon. Due to the tragic events yesterday at Dreamworld students will now attend Movieworld. The students were very excited with some going on their first plane ride, and for some it is their first big camp. Camps are an important part of our curriculum at Rockhampton North Special School and it is important that students attend our stay backs, sleepovers and 1 and 2 night camps so they can build up to our major camps in Grades 10, 11 and 12.

Our school numbers continue to increase and we will have more students and more classes in 2017. This increase makes us think about our class lists. Staff are currently finalising booklists and class lists and these will go home with students on Wednesday the 7th December.

This Friday is “Day for Daniel” day where schools raise awareness about child safety and protection. All students are encouraged to wear something red.

With thanks

Thursday we went to Coolwaters Amusement Park. We dragged our suitcases, got onto the bus and arrived on time. We went to the water slides, dips in the pool room and boys in the next room. The best day we breakfast in the morning we did in to our batters and go in to the water slides. It was fun. My favorite part was the water slides, it was like I like to play on my homemade slide. Then we played on the slides. It was cool.
