Revised Positive Behaviour Rules for Rockhampton North Special School: This week we are introducing our revamped school rules. These four clearly stated rules are easy for students to understand and remember. The rule posters have been placed on the walls in each classroom. Teachers have been teaching the rules and we will be talking about them each day on parade. It would be great if parents and carers can use the same rules at home so that students hear consistent language at home and school.

Parent / Teacher class meetings and afternoon tea: We would like to invite parents to visit their student’s class next Thursday afternoon from 3:00-4:00pm to find out more about the class routine, the specific curriculum being taught, and plans for the year. This is also an opportunity for parents to ask general questions. Specific questions relating to individual students should be asked at individual Parent / Teacher meetings to develop Short Term Learning Goals. These meetings are presently being negotiated. The P&C have kindly offered to provide afternoon tea.

The students in Middle HE have had a very busy start to the year.

Doug walked on the numbers of the Hopscotch board while he listened to them counted aloud.  

Lily chose to dress up, looking at the picture of that activity.  

Tiffany tried out the new standing frame.  

Kai exercised on the gym ball while he listened to songs and rhymes.  

We sat together to listen to a story on the interactive whiteboard.
