Principals Chatter

It is amazing what a difference a community can make to a school.

This year we have had financial and in-kind support from many organisations and individuals. The Lions Club has been incredible with their physical support. They happily arrived early, one cold morning to remove the old playground in preparation for the new one. They also manned the BBQ at our successful Fair. The Gaming Commission Fund and Iwasaki Foundation generously provided a good proportion of the funds to pay for the new junior playground. The Rockhamption Men’s Shed each week take a group of boys under their wing. They have also made a beautiful coffee table which they are raffling. The proceeds going toward the Noosa Triathlon camp.

Mt Archer Lions and AB Glazing donated funds to purchase a very expensive standing frame. This specialised piece of equipment is perfect for students who need this kind of physiotherapy.

Much to the delight of our older students, Rockhampton South Rotary Club purchased a quality pool table. The students are regularly demonstrating their new found skills.

This Friday Eagle Boys are providing the school with gluten free Pizzas. The P&C have asked that everyone make a gold coin donation. The proceeds will go toward the maintenance of the buses which are so important for community program access.

We thank these and many other community members who so generously support our school and our students.
