From the Principal

As we settle into term 2 we have had the opportunity to witness our students shine. Our school Captains, Marcus Goody and Alex Lyons, were presented with their official badges by Councillor Neil Fisher, division 10 councillor for Rockhampton. The event was celebrated with a huge cake which was shared by all the students, staff, and visitors. The badge ceremony was followed by a short ANZAC service. Several of the students participated admirably in the service by reading information about the history of ANZAC Day, the Ode, and prayer.

Last Friday a number of our students enthusiastically participated in the community ANZAC Day march. Congratulations Marcus Goody, Alex Lyon, Kassidy Goody, Wade Leslie, Sean Reynolds, Cody Bartlett, Dane Powell, Robbie Wehlow, Ashlea Tickner, Katie Donovan and Caden Ward. Thank you to the staff members that assisted.

Our middle and Junior Secondary classes are very excited because they have finally moved into their new buildings. The big verandah and easy access to the oval are great. Over the Easter break a big new fence was constructed around the perimeter of the oval to improve student safety. The much awaited painting of our peeling walls has begun. The front building and toilet block have been painted and the remaining buildings in the quadrangle are awaiting the appointed painter to attend to them in the next couple of weeks. We have also had the exciting news that the new Junior Playground has been ordered. This is due to the incredible work of our amazing P&C members who work tirelessly for the benefit of all the students of our school.
