Principals Chatter

The 2014 school year is almost gone and looking back we can all be proud of what our school community has achieved.

All our students have made measurable progress against their individual learning goals.

All staff have developed new skills that will enhance students’ communication development.

We have achieved successful outcomes in our Teaching & Learning Audit, Discipline Audit and Systems Audit.

The P&C has achieved their long planned goal of replacing the junior playground.

The school buildings have had a facelift and the much complained about car park is finally being replaced. (Thank you to everyone for working so well with the alternate drop-off and pick-up arrangements while under construction.)

I wish everyone a wonderful Christmas and a happy, healthy, and safe holiday period! I look forward to working closely with families again in 2015.

Many of you will know by now that Sam Dennis, our Deputy Principal is seriously ill and will be absent from work for the first half of next year. We all wish for her the best possible outcome for her treatment and a quick recovery.

Start Date for 2015 – Tuesday 27th of January
